Introduction to SDCE

Strathfieldsaye and Districts Community Enterprise is a Not-for-profit organisation dedicated to helping Strathfieldsaye and the surrounding towns become strong, vibrant and healthy communities.

Since 2004, we have distributed approximately **\$1.5 million** to our community.

UNOFFICIAL

The Community Enterprise Model

This assistance is made possible through the support of our partners **Bendigo Bank** and **Bendigo Telco**, who provide us with a sustainable income stream based on business generated by our supporters.

Bendigo Bank and **Bendigo Telco** customers can nominate **Strathfieldsaye & Districts Community Enterprise (SDCE)** as their community beneficiary when they purchase products or services from the Bendigo Bank branch at Strath Hill or Bendigo Telco for their family or business.

SDCE then receive a commission from all tagged accounts and purchases, and return it to the community through grants, sponsorships, contributions to major infrastructure and community events. This is at NO COST to the customer.

It's simple; by keeping the profits of your banking and communications local, YOU can make a real difference to YOUR community.
